

Minnehaha Monthly October 2018

Welcome to the 10th edition of Minnehaha Monthly, a publication by Minnehaha Archers Inc. to keep club members informed about club events, members accomplishments and archery news.

The outdoor range will close for the winter on November 1st.

Have you visited the club website lately? It's updated regularly and the calendar shows all classes and leagues in session. It's a good idea to check the calendar before you go out to the range on a weeknight.

<https://www.minnehaha-archers.com/calendar.html>

We are having a work party on Wed. Oct 17th and need help from the General Membership. JOAD targets will be moved from the trailer to the garage, 3D targets will be removed from field stations 1-14 and placed in the trailer. The trailer will be brought to the indoor range and the 3D targets will be unloaded on a date TBD.

NOTE ABOUT INDOOR RANGE

If you are at the indoor range and notice a drippy faucet, running toilet, or something else not functioning properly please let a Board member know ASAP. The list of Board members with phone numbers is printed on the office door. Please send a text, call or send an email to mai@minnehaha-archers.com.
THANK YOU!

MAI will host an early Spot League in November and December on Thursday nights at 7pm. There will be an informational meeting on November 1st at 7pm at the Indoor Range.

Archery in the News...

For those of you interested in competitive target shooting you've probably heard by now that the 2018 Vegas shoot champion was stripped of his title and forced to forfeit his winnings due to a doping violation. We know many of our members attend the Vegas Shoot each year and some members may take prescription medications but there is a Therapeutic Use Exemption. Here are a few links for more information:
